Letter From Your President: Phil Widmer

What a year this has been! I would like to say Thank You to the membership who have voluntarily stepped up to the plate and helped get sponsors and help with awards. Over the last 2 years I have always tried to be positive in my letter. This time I am going to tell my real feelings. I am fairly disappointed in the members of this GREAT RODEO ASSOCIATION, for not taking their turn on the Board of Directors. Without the Board of Directors there would not be an association. There should be a waiting list of members to get on the board to help preserve this sport. A list of people with young children so their children can grow up with this great rodeo family. At the rate things are going, it will not be long when there are not enough board members to meet the quorum; Which means no finals, no saddles, no buckles, and no rodeos. I am tired of people telling me that they do not have time! If you truly believe in this association, its beliefs, and most its values, you will make time for the job. SO you ask why I am no longer going to be President. I tell you that I have been involved with the board for the last 7 years, and I enjoyed it. I feel that it is someone else's turn. I may be back in a couple of years. So it is time for everybody to step up to the plate and help out.

I would hope that everyone offers their help and support to Marty and the rest of the board. Thank you for the opportunity to serve you. It has been a learning Experience that has made me a better person.

Please Remember to make your Banquet Reservations by Jan 4, 2013. Banquet date Jan. 26, 2013. You must attend to receive your jacket.
